CHARI-TEE PUTT PUTT TOURNAMENT

Saturday, November 18, 2023

The Channel Islands Gulls Chari-Tee Putt Putt golf tournament is a one of a kind event that brings together community to support CAREGIVERS: *Volunteers Assisting the Elderly*.

This miniature golf tournament is only possible with the enthusiastic support of the local neighborhood. Each hole is hosted and designed by individual residents in their yard, driveway, or even living room! This brings out the creative side of our community and helps neighbors get to know one another.

(If you live in Silver Strand and would like to design & host a hole, please contact us for details.)

Benefiting

Founded in 1984, CAREGIVERS is one of the original pilot programs for volunteer caregiving — in the nation! Close to 550 frail, homebound seniors in Ventura County are able to continue living independently thanks to the generosity of volunteers who help each week with grocery shopping, friendly visits and a ride to the doctor. CAREGIVERS also works with local high schools to recruit student volunteers who have served seniors through the Building Bridges Intergenerational Program. Today, upwards of 1000 programs are emulating this successful community model throughout the United States.
